Reward points

The points system is easy! Throughout the year, Uponor installers receive one Pro Reward point for each dollar of every eligible purchase of Uponor product. Once the purchase is entered through the online claim process on uponorpro.com/rewards, installers simply redeem points from the online rewards catalog anytime throughout the year. “I really enjoy being able to submit my claims online. It makes it very **easy and effortless** for me. All I have to do is get my suppliers to send me the monthly reports of our Uponor orders and I can upload them directly. There is no calculating or worrying about missed amounts on my end. It’s really a huge **benefit** and I’m even able to submit more and **get more points** because it is way less time consuming.”
