RESIDENTIAL FIRE
SPRINKLER SYSTEMS

INFORMATION SHEET

Fire Sprinkler Contractor Insurance

Uponor is proud to partner with The RelMark Group for information related to contractor insurance for professionals in the residential fire sprinkler industry.

The RelMark Group is committed to reducing barriers of insurance coverage for contractors with both plumbing and residential fire sprinkler installation exposures.

RelMark's Commercial General Liability program was created to cover fire sprinkler contractors' operations, including design, fabrication, installation, service,

testing and inspections, alarm work, fire extinguishers and plumbing applications.

The program has grown over the last 16 years and the partnership with an A XV-Rated Insurance Carrier combines **RelMark Group's Fire Sprinkler Contractor expertise** with a financially stable insurance

carrier, to provide contractors with the best program specific to their business and needs.

Available in all states except Alaska, Arizona, California, Colorado, Hawaii, Nevada, Oregon and Washington.
