

Uponor LoopCAD® Activation Using a Prepaid Code

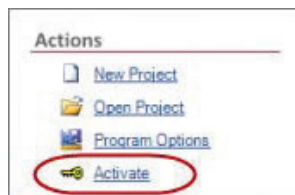

INSTRUCTION SHEET

Once you have installed Uponor LoopCAD 2015, follow these steps to purchase and activate your license using a prepaid code (or license key). If you need the setup file to install the software, click on the version you wish to install (U.S. or Canadian).

1. Run Uponor LoopCAD 2015 **on the computer you want to be activated**.
2. If the Activation window does not automatically open, click the **Activate** link.

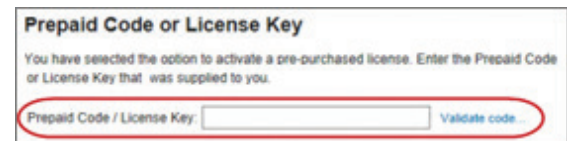

3. Click **Purchase a New License**. This will take you to the activation website.
4. Select **Activate a pre-purchased license** and click **Continue**.

5. Input your prepaid code in the field provided, including any dashes, and then click the **Validate code...** link.

Note: This is for prepaid codes only. For activation using the 20% discount code, use that specific document.

6. Click **Continue**, and then follow the remaining steps to setup your account and complete the purchase. When you get to the Shopping Cart page, click **Checkout**.
7. The Activation Code will be displayed on screen and will also be sent to you by e-mail.
8. Return to the **Activation** window in LoopCAD. You can either enter the Activation Code here, or you can click the green **Update...** button, then follow the prompts to have it automatically retrieved.
