

# Uponor LoopCAD® Purchase and Activation Using a Discount Code

Once you have installed LoopCAD 2015, follow these steps to purchase and activate your license using a discount code. If you need the setup file to install the software, go to [www.LoopCAD.com/Downloads](http://www.LoopCAD.com/Downloads). To select the Uponor Add-on version, scroll down the page.

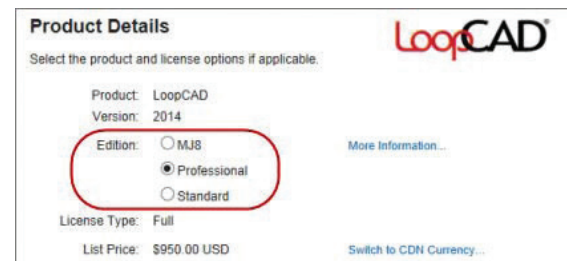

1. Run LoopCAD 2015 **on the computer you want to be activated.**
2. If the Activation window does not automatically open, click the **Activate** link.

3. Click **Purchase a New License**. This will take you to the activation website.
4. Select **Purchase and Activate a new license** and then click **Continue**.

5. Select the desired edition: **MJ8, Professional** or **Standard**.

6. Input discount code **LC2UP-LKF-54837** in the field provided, including any dashes, and then click the **Validate code...** link.

7. Click **Continue**, and then follow the remaining steps to setup your account and complete the purchase. When you get to the Shopping Cart page, click **Checkout**.
8. The Activation Code will be displayed on screen and will also be sent to you by e-mail.
9. Return to the **Activation** window in LoopCAD. You can either enter the Activation Code here, or you can click the green **Update...** button, then follow the prompts to have it automatically retrieved.
