

Uponor

Uponor PEX-a Pipe Support

Provides continuous support of Uponor crosslinked polyethylene (PEX-a) pipe for commercial plumbing and distribution piping

Suspended Piping Application

- Enables hanger spacing similar to that of copper
- Listed for plenum applications up to 3" (ASTM E84)
- Easily insulate around both pipe and PEX-a support
- Available for ½", ¾", 1", 1¼", 1½", 2", 2½", 3" and 3½" pipe sizes
